Dear Mr. Ayam:

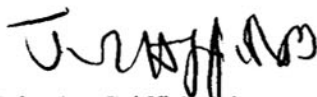

On behalf of KEDREN Acute Psychiatric Hospital and Community Mental Health Center, I would like to extend my gratitude and deep appreciation for your recent contributions. As a community supporter and generous benefactor, your support makes a direct and immediate difference toward our great cause.

We are very excited about the opportunities that lie ahead, and I am honored and pleased to have you on our team. We have other great projects planned for the future and hope you will allow us to call upon you for your support again.

Please also help spread the word to other caring individuals so we may continue to improve the quality of patient care thus making a difference in this, our community.

KEDREN is committed to the concept of systematic objective self-assessment for the purpose of continuously improving the quality of care. We shall not rest, for there is always much work to do. Please know that your generosity help to brighten the lives of the children of Kedren.

I am
truly yours,

John H. Griffith, Ph.D.
